

## SibCamp | July 16<sup>th</sup>-20<sup>th</sup>

Register now for a week-long camp designed specifically for the engagement and support of brothers and sisters of children with autism spectrum disorders. Our SibCamp provides a chance for siblings to connect with other kids who "get it" in a fun, dynamic environment.

Daily activities will include arts and crafts, games, music, journaling, and team-building. The program includes activities from Sibshops, music by the [Be An Artist program](#) with Darden Smith, and other published curricula for this special group of kids.

This camp is a fun, engaging way to provide therapeutic support in a unique, recreational setting. Kids will have a great time and learn meaningful skills that will last a lifetime.

**Ages: 8-12 years**  
**Session: M-F 9am-12pm**

*Led by Jeanna Martinez, Certified Child Life Specialist, and Dr. Claire Schutte, Licensed Psychologist at The Johnson Center.*
